
Introduced by Senator Scott

February 22, 2005

An act relating to career technical education.

LEGISLATIVE COUNSEL'S DIGEST

SB 964, as introduced, Scott. Career technical education: curricula.

Existing law requires school districts to adopt a course of study for grades 7 to 12, inclusive, that includes career technical education. Existing law establishes various school-to-career partnership initiatives and programs, such as the partnership academies program.

Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law establishes community college districts and authorizes them to provide instruction at campuses throughout the state.

This bill would state the intent of the Legislature to enact legislation that would strengthen coordination between community colleges and high schools in California for the purpose of developing fully articulated, industry-driven career technical education curricula.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would strengthen coordination between
- 3 community colleges and high schools in California for the
- 4 purpose of developing fully articulated, industry-driven career
- 5 technical education curricula.
